

IT TAKES A VILLAGE

Monthly Newsletter

Dear Principals, Teachers, Parents, and Guardians,

As we embark on another busy and exciting school year, I, on behalf of the "It Takes a Village" team, want to let you know how deeply we appreciate your incredible support for the "It Takes a Village" initiative.

Thanks to you, the united efforts of all eight schools in Greystones and Delgany have reached wider into our community and in towns and villages across Ireland and many countries worldwide.

As we embrace the challenges and opportunities of the coming year, we want to keep everyone connected and up to date on the workings of the initiative. Sharing experiences remains vital as we prioritise our children's well-being in the community.

We've planned a series of exciting events across the next number of months, starting with one on September 9th at the Cove, highlighted below.

The aim of this monthly newsletter is to update you on our progress and share news, upcoming events, and the monthly well-being themes.

Once again, thank you for your support. We're looking forward to a fantastic year ahead and hope to see you all at The Cove at 1 p.m. on Saturday.

Kind regards,
Rachel Harper

NURTURING MINDS

Thursday, September 28th - 7.30pm

Our parents' workshop series begins September 28th at Greystones Community National School. The first workshop, "Navigating Changes and Anxiety," will provide practical strategies to help children manage anxiety during times of change. Children go through transitions that can be stressful, and this workshop aims to help understand children's emotions, build resilience, and create a supportive environment for growth. All welcome!

Tickets available on [Eventbrite](#)

JOIN US FOR ONE-HOUR HOLIDAY AT THE COVE - Saturday, September 9th 1pm

There'll be freebies for the children: music, beachballs, buckets and spades, footballs, hula hoops, kids' jewellery, pirate hats, bubbles, and decathlon bags. Donation for the event is €5; you can pre-book through the Whale website. At 2.15 pm, join our mega photoshoot celebrating our commitment to childhood well-being. Dress super colourful!

SEPTEMBER WELL-BEING THEME

September's 'It Takes A Village' theme is 'New Beginnings'.

The start of a new school year is a great time to set goals, try something new or start afresh!
